Customer information

Concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), establishing a European Chemicals Agency (ECHA)

Regulation (EC) No 1907/2006

The following information is related to our product(s):

- all films

Herewith we confirm that the products of Folienwerk Wolfen GmbH do not contain any of the substances identified by the European Chemicals Agency (ECHA) as Substances of Very High Concern (SVHC) according to the current Candidate List.

Under normal and foreseeable conditions of use it is not intended that substances are released from our products.

This information is based on our knowledge of the raw materials and our manufacturing process. Folienwerk Wolfen GmbH does not analyze the products for the presence of these substances. However, based on our knowledge of the raw materials and manufacturing process, we have no reason to expect that materials which would produce these substances were used in this product or that this product would have contacted materials that produce these substances.

If you have further questions about this matter, please contact us.
